FLOYD MASTER PLAN QUESTIONNAIRE

The Master Plan Committee is looking to the future of Floyd. We'd like your input on what your vision of Floyd would be 10 to 20 years from now. Please fill out any or all of the following questionnaire and return it to the Committee. The first part of the questionnaire deals with why you currently reside in Floyd; the second addresses the importance of various factors that affect the future of Floyd, and finally the last part concerns your desires on future commercial development in Floyd. Results of this survey will be published in the next Floyd newsletter.
