Black River Watershed In-Person Conference Postponed

WATERTOWN, NY – The Black River Watershed Conference steering committee has decided to postpone the in-person conference originally scheduled for June 3 and 4 at Savory Downtown, Watertown, NY. The committee will monitor the COVID-19 situation closely to determine if the conference will be rescheduled for the fall of 2020 or offered as a virtual conference.

Information will be posted on the commission's website at www.tughill.org/projects/black-river-projects/black-river-watershed-conference/ and on Facebook as it becomes available.

Thank you for your understanding and patience.

###

The New York State Tug Hill Commission is a non-regulatory state agency charged with helping local governments, organizations, and citizens shape the future of the region, especially its environment and economy. The commission uses a grassroots approach to build local capacity and provide technical assistance in land use planning, community development, and natural resource management.
